**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Please encourage more competition. I want faster and cheaper internet access, without data caps or throttling, nor content restrictions. I want fiber and wireless. My current options are quite limited and expensive, with mostly crappy services to chose from. Please make this happen quickly.

Thanks.
